The 49th International Symposium on High Performance Liquid Phase Separations and Related Techniques (HPLC2019 Kyoto) will be held in Kyoto, Japan, December 1–5, 2019, which is the second meeting in Kyoto as a regular HPLC Symposium.

The symposium will cover all aspects of separations by liquid chromatography and electrophoresis as well as related hyphenated techniques and detection methods.

Invited lectures and oral presentations including parallel sessions, and poster presentations will be planned for each section, in addition to the plenary sessions.

Virtual proceedings will be published as a special issue of an international chromatographic journal.

The HPLC2019 Kyoto will be jointly held in part with the 30th Conference of the Society for Chromatographic Sciences (SCS), which is the 30th Anniversary Conference of the SCS (SCS30). The SCS30 will be held December 5–7, 2019.
