

Lecture

Speaker: Professor Dr. Volker Schurig
Institute of Organic Chemistry
University of Tübingen
Tübingen, Germany

Title: Electrochromatographic methods of enantioseparation:
Pro's and con's

Date: Fri, 31 October 2003; 17:30 – 18:30

Room: OA–lecture room, Chemistry Dept. (A2–305)

Contact: Prof. K. Otsuka
Dept. of Material Chemistry, Phone (ext) 2447 [room A3–221]
